Employment First Missouri - Building Best Practices

The **Employment First Missouri** initiative is a collaborative between the Institute for Community Inclusion at the University of Massachusetts-Boston and the Missouri Division of Developmental Disabilities. Technical assistance and consulting services are available at no cost for current and potential employment service providers. [Employment First Missouri](#) provides a customized approach to assess organizational needs and offer implementation strategies focused on evidence based best practices to get real results.

Currently, the program is accepting new recipients of training and technical assistance. Apply or inquire [here](#).
